# OFFICIAL PRAYER GUIDE

Dear Praying friend:

Commercially, February is celebrated as a month of love. Shops all around the world quickly lined the shelves with kitschy gifts. Entertainment channels were filled with romantic stories of all kinds. Yet with all the commercial efforts to stir “desire” – love seems to be absent from so many communities. Globally it appears that racism, domestic violence, murder, rape, trafficking, prostitution, sexual abuse, theft, corruption run rampant in many places. If anything, the actions of humanity prove to us that we do not grasp the concept of “real love”. The love the world peddles remains an empty gesture. No amount of shallow romance is going to fix that. We need something supernatural to come and touch the hearts of stone. Paul the Apostle saw this too, and he prayed for God’s people first ... *“That you may come to know [practically, through personal experience] the love of Christ which far surpasses [mere] knowledge [without experience], that you may be filled up [throughout your being] to all the fullness of God [so that you may have the richest experience of God’s presence in your lives, completely filled and flooded with God Himself]”* Ephesians 3:19 AMP.

The author of all love is the God who created all things. From Him flows a **wholesome Love** that turns hearts of stone to flesh and fills all who are willing to receive this “Love” into their lives. It is a Love that breathes life into dead souls. It is a

love that sacrifices the best, to redeem the worst of mankind. It is a Love that suffers long. It is a Love that is kind, pure and generous. It is a Love that forgives. It is a Love that stirs humility. Surely this is the love we should hunger for, hope for and pray for?! **This Love is none other than Jesus Christ!!!**

*Dear Father*

*We ask you to fill us throughout our being with the fullness of your love. May your love to saturate every part of our hearts and lives. May it be a deep unwavering love for you. May this love that you deposit within, be a love that draws men and women and children to you. May it turn Stone hearts into flesh ones. We thank you for your unfailing love toward us, love demonstrated when Jesus died for our sins; when we were formed in the womb; and when you called us by name. May you be exalted for you deserve the glory. In Jesus name, Amen.*

3. We need clear direction regarding the street outreaches.
4. We are still viewing farms and trusting God to open the correct doors and finances.
5. I have handed over many of my projects to leaders that I believe is ready to run with the vision. Pray for them as they are growing into their roles and wisdom for me, to know when to step back so that they can run with their vision.

Thank you for your willingness to keep in praying for us and the gospel being preached.

Blessings, Xenia
