GOD is FAITHFUL!

2 Timothy 2:13

“Even if we are faithless, he will still be full of faith, for he never wavers in his faithfulness to us!” 2 Timothy 2:13 TPT

Dear Praying Friends, God is faithful! Even in our weakest, faithless moments, He remains true to His divine nature. He cannot be otherwise. This is the most comforting reality when we come to God in prayer. Sometimes our connection with Him feels weak or dead. That isn't because God is distant. Rather it is because we lose our way or distance ourselves from Him. The chaos and white noise of modern life have easily distracted many. Satan has also used his evil schemes in an attempt to weaken our connection with God. Together with the daily troubles and challenges of living, it is easy for our hearts to become faithless and disconnected.

This Faithlessness will be reflected in the way we live. As the spiritual fabric of our lives disintegrates so does our physical existence – life unravels very quickly without Him. Jeremiah 33:3 reminds us that God will be found if we seek Him with all our hearts. Faith is the glue that the Lord uses to reignite us into a Holy connection with Him.

Faith quickened in us by the Holy Spirit is a KEY. Those victorious doors God is placing before us will swing wide open as we allow God to deposit faith within us. The letter to the Hebrews tells us that God is a “rewarder of those who diligently seek Him” and the book of Acts says “God is not far from us” – God does not play hide-and-seek with us. He wants to be found. The faith we receive from His hand

helps us and encourages us to seek after Him. Our Faith is always rewarded.

In the prophetic book of Habakkuk – the prophet encourages us the faithless to “come, and return to the Lord”. This means through an act of faith we turn from our faithless selves and we put our trust fully in the FAITHFUL ONE. We need to see a total “flushing out” of all those things that turn our hearts away from God. It means thrusting out all those distractions that break our connection with God allowing faithlessness to prevail. Faith toward God is inviting the Lord to come and work and make His home within us.

If we could for a moment understand the Spiritual potential that each one of us has in Christ Jesus – we would not allow our connection with Him to break in any way. Satan knows how frighteningly powerful we can be if Christ is victoriously reigning within. That is why the enemy does everything that He can to undermine us. He wants our connection with God to become a faithless one. He cannot afford any more losses. He does not want to be reminded of His dismal defeat at Calvary. His end is near.

Let us tune in to where God is. He is calling us higher, to where He is, for He is enthroned on high and Faith is the rocket fuel that will propel us into the presence of the Holy one to find the help we need for the times we are living in.

Dear Father, Thank you for Your faithfulness to us! Our faith can be shakey at times our hearts may fail us. You are the

strength of our hearts. We can rely on You. Send us Your Holy Spirit to empower us with divine Faith from on high. In Jesus name, Amen.
